PROP HIRE FOR WEDDINGS AND EVENTS

We have been fortunate enough to create floral arrangements for hundreds of beautiful weddings and events over the years. As each event is as unique as its commissioner, we have acquired a large collection of props and display items to suit many different tastes and styles.

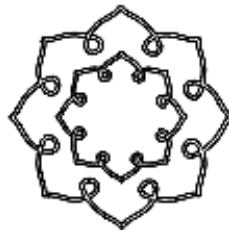

Stored safely in our off-site workshop are sparkling tea-light votives, candelabras, urns and glassware in all shapes and sizes.

Our wide range of carefully curated props is listed below. Each item is available to hire for your event, even, in some cases, without flower. Should you be looking for something that is not listed, do let us know as we may be able to help you source it.

Please see the final page for full terms and conditions of hire.

TERMS & CONDITIONS OF HIRE

All props remain the property of Stems.

Hire of existing props is complementary when provided with flowers. A hire fee may be charged should you wish us to source new or specific props for your event.

Props will be collected by us the day after your event, unless agreed otherwise.

Should any props incur damage or breakage during the event, the cost of replacement will be covered by you, the hirer.

Props can, on occasion, be hired without flowers. A hire fee will apply and the hirer is responsible for insuring products throughout the duration of the lease. Payment may be made in advance or on collection and a deposit of £150 will be held until all props are returned.

Props must be returned clean, ready to use and with any original packaging dry and intact.

Dirty, missing or damaged props will be charged a replacement fee on return. Items hired without flowers must be collected and returned to our shop in Sunningdale by the hirer.

Availability of items and duration of hire is at our discretion.
